**(Remarks)**

यहाँपि सारे भारतवर्ष में पंजीयन विवरण अपूर्ण रह जाता है। इसके अतिरिक्त असंख्य जनक है जिसके कारण पंजित घटनाओं व्यवस्था को सुदृढ़ करने के लिए प्रयत्न किए जा रहे हैं।

पंजीयन का

ज्य सरकारों के मुख्यालयों को विवरण भेजने की व्यवस्था भी बहुत रह जाता है। इसको पूर्ण करने के लिए और विवरण भेजने की

[While arrangements for the registration of births and deaths exist in most parts of the country a large proportion of births and deaths fails to be reported to the Registrars. The registration of birth and deaths is, thus, incomplete. Further, arrangements for the transmission of returns from the Registrars to the State Headquarters are far from satisfactory with the result that a large proportion of events although registered, are missed at the time of compilation. Efforts are being made to improve the completeness and ensure efficiency in the transmission of returns.

The figures on births and death for the week ending 25th August, 1973 shown in this Table 1 relate to 223 towns in the States of Andhra Pradesh, Bihar, Chandigarh, Goa, Daman & Dili, Haryana, Himachal Pradesh, Maharashtra, Meghalaya, Mysore, Punjab, Rajasthan and Uttar Pradesh. The number of Births and Deaths recorded in these towns were 13737 and 4059. Information has not been received from Assam, Delhi, Gujarat, Jammu & Kashmir, Kerala, Madhya Pradesh, Manipur, Orissa, Pondicherry, Tamil Nadu, Tripura and West Bengal for this week.]
